Sir,

Sub: Budget Estimate -Elementary Education
1952-'53- Submission of.

***

P 11-13 inf

I submit herewith in duplicate the revised Estimate for '51-'52 and the Budget Estimate for 1952-'53 of the Elementary Education Fund of the Bellary Municipality in the forms prescribed in Annexure I to the rules framed under the Act together with a summary and statements.

Revised Estimate 1951-'52.

There are no marked variations between the Budget Estimate for '51-'52 and the revised Estimate except an increase in receipt by 6,800/- taken under Education Tax likely to be realised in the year. Though a basic school for Urdu children has been opened with effect from 2-12-51 with the permission of the Educational authorities in Pinjari Wadi XI-Ward, no additional provision is made as the extra provision made for opening two new schools was utilised during the year for this purpose.

Budget Estimate 1952-'53.

Details in regard to each item of recurring expenditure have been furnished in the Establishment schedule. Provision is made for equipment ordinary and capital, which will be supplied to the schools in consultation with the Educational authorities. A sum of Rs. 3000/- is provided under repairs to buildings owned by the council and repairs to rent free buildings. Due provision has been made in the budget estimate for staff Dearness allowance, house rent allowance, equipment and accommodation etc., based on the actual requirements of schools. Provision is also made for payment of duty allowance to Headmasters of schools. Provision for two more new schools has also been made and they will be opened in the next year '52-'53 after obtaining the approval of the Dist. Educational Officer,Bellary. Provision for an additional teacher in Ranganatham school is also made.

P.T.O.,

The marked variations, between the actuals of 1950-'51 and the revised estimate are due to the retension of additional provision made for new schools in the Budget Estimate and for the payment of leave salaries. The excess provision made under salaries and contingencies in Budget Estimate '52-'53 is due to the provision made for leave salary and for opening new schools etc., As the receipts under this fund are self supporting no credit for contribution from general account is taken. A sum of Rs. 24,400/- has been transferred from ordinary to Capital to meet the capital expenditure as pointed out in the note to the Council.

I request that the Government may be pleased to approve the Budget Estimate at an early date. A copy of the note ~~of~~ to the Council, a copy of the Establishment ~~Schools~~ Statistics, and a copy of the council's resolution No. 1900 dated 14-2-1952 approving the budget are enclosed.

Budget Estimate 1952-53 Elementary Education Fund Account of the Bellary Municipality.

The revised Estimate for '51-'52 opened with a balance of Rs. 36,800/- under ordinary as against the balance of Rs. 22,291/- anticipated in the Budget Estimate for '51-'52. It closes with a balance of Rs. 41,690. The ordinary receipts and charges for the year are Rs. 56,860 and 51,970 respectively. Credit for an increased income from Elementary Education Tax is taken in the revised Estimate on account of proportionate increase likely to be realised in this year. There are no other changes in the revised estimate. The amounts sanctioned by Government in the budget Estimate for '51-'52 only have been adopted. A basic school for Mohammadan children has been opened with effect from 2-12-51 with the permission of the Educational authorities in Pinjarwade XI Ward.

BUDGET ESTIMATE FOR 1952-1953.

The budget estimate for 1952-53 is expected to open with a balance of Rs. 41,690 under ordinary and close with a balance of Rs. 18,230. The receipts and charges for the year are Rs. 34,990, and Rs. 58,450 respectively. The decrease under receipts is due to transfer of ordinary receipts to capital amounting to Rs. 24,400. Otherwise the ordinary gross receipts are Rs. 59,390 which are more than the ordinary Expenditure. Credit from Government for 50% of the taxes anticipated in '51-'52, is taken under Sec. 37 of the Education Act in addition to the recurring subsidy of Rs. 5075/- sanctioned every year to this Municipality under Provisions to Sec. 37 of the Education Act. Due provision has been made for payment of salaries and dearness allowance and House rent allowance at Government rates now in force and other recurring charges as per sanctioned Establishment schedule put up herewith. Provision for the continuance of the new basic school in Pinjarwadi with 2 teachers and for the opening of the new two schools in Brucepet, has been made. A sum of Rs. 2000/- has been provided under Equipment ordinary and a sum of Rs. 3000/- under Equipment Capital, to equip the existing schools and new schools to be opened as per the recommendations of the Director of Public Instruction in his R. O. P. 48 B. 3. 5051/ 9-3-51.

A sum of Rs. 3000/- is also provided for repairs to buildings. The Education Committee has sanctioned in its Resolution no. 3 dated 24-10-51 three estimates amounting to Rs. 21,400/- for construction of compound walls to (1) Satyanarayana pet Girls school (2) Babu Rajendra Prasad School and (3) Lalakaman boys school. Necessary provisions has therefore been made by transfering ordinary receipts to Capital. In addition to the provision made for payment of rent a sum of Rs. 340/- has also been made to meet the increased rate of house rent in deserving cases. The Municipal Council is in need of building of its own in place of rented buildings, but no provision could be made in the Budget Estimate for want of funds. Besides the Govt. have to be approached for grant in time only in case the plans and Estimates are sanctioned by the competent authorities.

The budget as prepared and placed before the council ~~only~~ be approved.

Budget Estimate-1952-53-Bellary Ml.Cl.

••

ELE.EDUCATION ACCOUNT; No contribution is proposed to be made from the Gl.Account-Ordinary to the E.E. Account either in the current year or in the budget year. The E.E. Budget as framed by the council is expected to close with a balance of Rs.41,690/- in 1951-52 and Rs.18,230/- in 1952-53 Education Deptt. have noted in another file that it is obligatory on the part of a Ml.Cl. to provide for the contribution fixed by the Govt.from the Gl.Account to the E.E.Account every year, irrespective of the fact whether the E.E.account closes with a surplus balance or not. The contribution agreed to in 42-43 in respect of this ml.cl. is Rs.12,560/- The council may be asked to provide for a contribution of Rs.12,560/- from the Gl.Account ordinary to the E.E.Account in the R.E.for 1951-52 as well as in the B.E.for 1952-53 In view of the fact that the Ele.Edn.Account works at a large surplus without any contribution from the Gl.Account it seems necessary that the contribution agreed to in 1943 should be refixed now. This may be considered while examining the Ele.Edn.Budget.

B.E.for 1952-53-Ely.Edn.Fund-Ml.Cl.Bellary.

From the Commr.Bellary Mplty.No.8467/51 dated 18-2-52
From the D.P.I.No.50-B3/51-52 dated 1-4-52.

The R.E.for 1951-52 and the B.E.for 1952-53 of the Ely.Edn.Fund of the Ml.Cl.Bellary call for the following remarks:

2.R.E.for 1951-52

i)The credit taken under the head 'Govt. grant under section 37 of the E.E.Act' should be raised to Rs.17857 with reference to G.O.No.74 Edn. dated 10-1-52.

ii)No contribution is proposed to be made from the General Account to the E.E.Account either in the ~~current year or in the budget year.~~ R.E or in the B.E. Without any contribution from the General fund, the E.E. budget is anticipated to close with a balance of Rs.42527 in 1951-52 and Rs.19067 in 1952-53. Sec.32 (1) ~~(i)~~ of the E.E.Act 1920 requires that an annual contribution from the general fund not being less than the minimum fixed by the State Govt. should be credited to the E.E.Fund. The standard contribution fixed for this council is Rs.12560. L.A. have suggested that in view of the large surplus in the E.E.Account, the standard contribution may be re-fixed now. The question of reducing the contribution does not arise ~~now~~. The Director's remarks on page 1 c/. would show that the condition of elementary schools in the Municipality is far from satisfactory. The council should contribute the usual amount and the surplus funds should be utilised to rectify all the defects pointed out by the Director. If there is a large surplus in the E.E.Fund after rectifying all the defects then the question of reducing the contribution can be considered but not now.

After providing

Please see the note of Fin. dept. While passing orders on the gl. budget for 1952-53, the Cl. has been asked to provide for the usual contribution of Rs 12560 from the gl. funds to the Ex. acct in 1951-52 as well as in 1952-53. After providing for this contribution the gl. acct for 1952-53 is expected to close with a balance of Rs 27360.

On the basis of the B.E. for 1952-53 the gl. acct of the Cl. is expected to work at a deficit of Rs 19130. ~~In view of this it is necessary to reduce the contribution payable from the gl. acct to the Ex. acct. This may be considered when examining the B.E. for 1953-54. The file may be returned to Edn.~~
